**PAY AND
ACCOUNTS OFFICE**

1.1 Introduction:— The Pay and Accounts Office, Rajya Sabha was constituted on 1st October 1955 under the scheme of separation of Accounts from Audit, leaving only statutory audit functions in respect of Rajya Sabha Secretariat with the Director General of Audit, Central Revenues. The Pay & Accounts Office functions as Treasury-cum-Departmental Accounts Office of the Rajya Sabha Secretariat and also as a Controller of Exchequer. All payments and accounting of transactions relating to the Rajya Sabha Secretariat and Pay and Accounts Office are made by this Office. A separate budget provision is made in the Demand for Rajya Sabha in respect of the Pay & Accounts Office.

1.2 Chief Accounting Authority:— Secretary-General, Rajya Sabha acts as the Chief Accounting Authority and he discharges this responsibility through and with the assistance of the Financial Adviser and the Pay & Accounts Officer.

1.3 Responsibilities:— The primary responsibility of this Office is to ensure that no payment is made from the Consolidated Fund of India in excess of the Budget grant, unless it is covered by an advance from the Contingency Fund of India. Moreover, all kinds of payments (Salary, TA/DA, Office Expenses of Members and Officers/Officials, etc.) pertaining to the Rajya Sabha Secretariat and Pay and Accounts Office, Rajya Sabha are made after cent percent pre-check of Bills, and by means of State Bank of India cheques. It is the duty of the Pay and Accounts Officer to see that the expenditure incurred from the Consolidated Fund of India is governed by the following essential conditions:—

- (i) that there is provision of funds authorised by the competent authority fixing the limits within which expenditure can be incurred;
- (ii) that the expenditure incurred conforms to the relevant provisions of the Constitution, MS&A Act and the rules made thereunder, and should also be in accordance with the financial rules and regulations framed by the competent authority; and
- (iii) that there exists sanction, either special or general, accorded by the competent authority authorizing the expenditure.

1.3.1 The Pay and Accounts Officer is authorised to draw funds by means of cheques drawn on the State Bank of India, accredited for handling the receipts and payments of the Rajya Sabha Circle of Accounts. The Pay and Accounts Officer has also to discharge a special responsibility for indenting, safe custody, issue and account of cheque books as prescribed under the rules. Moreover, a classified account of all payments made by this Office is compiled and rendered to the Office of the Controller General of Accounts (CGA) on monthly as well as annual basis. Besides, the Pay and Accounts Office also deals with the following jobs:

- (i) maintenance of G.P./C.P. Fund/New Pension Scheme accounts relating to the Rajya Sabha Circle;
- (ii) settlement of transactions adjustable by other Accounts (suspense accounts);
- (iii) submission of Budget Estimates & Revised Estimates under various heads in the form of a demand (Revenue Receipts, Pension, Public Account, Interest payments, etc.); and
- (iv) pension Cases (Members/Officers/Officials).

1.3.2 In discharging the aforesaid duties, this Office maintains close liaison with the Office of the Controller General of Accounts. While monitoring settlement of all bills received by this Office, Pay and Accounts Officer ensures that the work is disposed of efficiently and accurately. Pay and Accounts Officer has the overall responsibility to ensure that the requisite standard of technical expertise for a ccounting work in this Office is maintained. In furtherance of this goal, this Office has worked towards and achieved full computerization of its work process through the implementation of the COMPACT software, developed by the CGA division of National Informatics Centre. COMPACT is an acronym for COMPUTERIZED PAY AND ACCOUNTING . The procedures and time limits for works performed in this Office is according to Rules, as laid down in the Civil Accounts Manual and Ministry of Finance (Department of Expenditure) orders.

In discharging his responsibilities, the Pay and Accounts Officer, Rajya Sabha is assisted by two Sections, namely, Accounts Section and Audit Section. The work has been distributed between these two Sections keeping in view the principle of separation of accounts from audit.

1.4. Accounts Section of Pay and Accounts Office:—

1.4.1 Bill Diary Register: All kinds of Bills received in the Section, from both the Rajya Sabha Secretariat and Pay and Accounts Office, are diarised manually. After implementation of COMPACT/PAO 2000 Software, all bills are also entered in the computer which automatically generates a unique token number for each bill which is the identity of that bill and enables locating its status in the software at any point of time till its final payment. Manual diarisation of bills has been continued to facilitate easy traceability of bills in case queries are raised by name in respect of Members or officials. Moreover, for bills which are raised by Estt.(A/cs) & Budget Section and MS&A Section, it is not possible to trace those through the COMPACT software, as only bill number, date and amount is entered in the software. The manual Bill Diary is maintained in greater detail.

1.4.2 Expenditure Control: The primary responsibility of the Pay and Accounts Office is to control the expenditure within the sanctioned budget grant of every head of account during any financial year. Earlier, this work was done by maintaining expenditure control register in the specified format. After implementation of COMPACT Software, this work is no longer being done manually. Rather, it is automatically done when a bill is passed at the Dealing Hand level in the Audit Section. Expenditure control is carried out as soon as the amount is booked under the relevant head and is reflected in the Budget Balance for a particular head.

1.4.3 Monthly Civil Accounts: This Section prepares Union Government (Civil) Accounts relating to the Rajya Sabha Circle and submits the Monthly Civil Accounts to the Ministry of Finance (Department of Expenditure). As soon as the payment against a particular bill is made by the Audit Section, that bill is treated as a voucher. On receipt of the daily memorandum of pre-check payments along with the vouchers, this Section verifies whether the payable amount and the gross amount is correctly entered. In order to prepare the Monthly Civil Accounts, vouchers received from the Audit Section after pre-check/payment are compiled on a day-to-day basis. They are posted in the Compilation Book (Form CAM 33 in two parts: for payments in the DETAIL BOOK and for receipts: in the PAO-4 Register).

- (i) the gross amount indicated in the voucher are posted against the concerned heads. Deductions/recoveries shown in payment vouchers, such as Income-Tax, surcharge, house rent are compiled under relevant heads.
- (ii) recovery of Advances taken by the Government Servants for the purpose of house building or as loans to purchase Motor Car, Scooter or Computer, recovery of G.P. fund contribution or "PAO Suspense"—head, where a credit is adjustable is posted in the PAO-4. The summary of transactions for a particular month are recorded in the Classified Abstract Forms (CAM 37 and CAM 38) in two parts; — Part I for receipt (credit) entries and Part II for booking disbursement (debit) entries.
- (iii) after finalization and preparation of the Monthly Accounts, the Consolidated Abstract is prepared. This is maintained in two parts, Part I for recording the receipts (credit) transactions and Part II for recording disbursement (debit) transactions for each year (in the form CAM 39). Major/minor, sub/detailed heads are indicated there in the same sequence as in the Classified Abstract and monthly total from the latter are posted against each of the head of accounts under the appropriate monthly column and progressive total up to end of month are struck.
- (iv) the Monthly Accounts are prepared with the help of COMPACT/PAO 2000 software. This computerized version of the Union Government (Civil) Accounts, in respect of Rajya Sabha Circle, compiled on a monthly basis, is submitted to the Office of the CGA by 15th of the next month through "*e-lekha*", a web based application of O/o CGA. The manual compilation of accounts has been stopped and a complete switchover to computerized compilation has been done.

1.4.4 Preparation and Submission of Appropriation Accounts: This Section also prepares, finalizes and submits the annual Union Government Headwise Appropriation Accounts (Civil) relating to the grant administered/controlled by the Rajya Sabha Secretariat. The Appropriation Accounts indicate the expenditure (both voted and charged) of the Government for each financial year compared with the amounts of voted grants and charged appropriations. These

Accounts are submitted to Parliament by the Ministry of Finance (Department of Expenditure) along with CGA's Report under Article 151 of the Constitution of India. Intention to prepare Appropriation Accounts is to disclose:—

- (i) that the money indicated therein as having been disbursed was legally available for and applicable to the service or purpose to which they had been applied or charged;
- (ii) that the expenditure conforms to the authority which governs it; and
- (iii) the effects of re-appropriations ordered by the Ministry/Department.

1.4.5 The Secretary-General, Rajya Sabha acts as the Chief Accounting Authority and finally approves and signs the Headwise Appropriation Accounts of grants/appropriation administered by the Rajya Sabha Secretariat.

1.4.6 Preparation and Submission of Annual Statement of Central Transactions: The Annual Statement of Central Transactions is also submitted to Controller General of Accounts by this Section. This represents the progressive effect of all transactions during the year including March (supplementary) transactions. This statement is prepared with minor head-wise details under each major head concerned and showing Charged, Voted, Plan and Non-plan expenditure distinctly. At present, the same is prepared on computers applying the software SCT supplied by the System Group (CGA) and the finalised SCT is submitted to the Office of the CGA.

1.4.7 Finance Accounts: At the end of the financial year, this Section reviews and verifies the balances relating to loans and advances outstanding at the end of the year. The broadsheet balances in each case should agree with the ledger balances. This process is called the Review of Balances. A consolidated report for the Rajya Sabha Circle of Accounts indicating the amount of unreconciled differences between the broadsheet and the ledger balance against the various heads is furnished to the Finance Accounts Section of the Office of the CGA for audit/comments.

These Accounts are prepared as per formats/instructions laid down in the Civil Accounts Manual. In this regard, if any change in the format of accounts had to be effected, Offices of the CGA and DGACR issue instructions from time to time.

1.4.8 Settlement/Adjustment of Inward and Outward Claims:

(i) The Accounts Section is also responsible for the settlement and adjustment of all transactions relating to other Departments, Ministries, State Governments arising in the accounts of the Pay and Accounts Office, Rajya Sabha and *vice versa* by means of inward and outward claims. 1.4.12.1 All entries relating to contributions made under the New Pension Scheme in respect of the staff of the Rajya Sabha Secretariat and Pay and Accounts Office were earlier being made manually as well as in the Contributory Pension Fund Management (C.P.F.M.) Software of the Central Pension Accounting Office, *i.e.* New Defined Contributory Pension Fund Management System, upto the year 2007-08. However, since the beginning of Financial Year 2008-09, all work is being done both manually as well through computer in the software provided by the National Securities Depository Limited (NSDL) which has been entrusted the work of managing the fund by the Government of India. The closing balance of the Broad Sheet should tally with the closing balance worked out in the DDR Register.

Payment of Permanent and Temporary Advance from the Fund is made after the same is sanctioned by the competent authority. As soon as the bill in this regard is received by this Section it is confirmed from the ledger that the amount of balance mentioned in the Sanction Order is correct or not. If not, the same is returned to the billing Section for correction. It is also ascertained that the amount of withdrawal/advance indicated in the bill should be covered under the GIP rules.

- (ii) Annual GPF Statement in respect of all officials of the Secretariat are prepared at the end of each financial year. The statement includes the Opening Balance as on 1st April last year, total subscription/refund of advance made by the subscriber during that particular financial year, total withdrawal, interest for the entire financial year accrued thereon and the Closing balance as on 31st March.
- (iii) Issuing Authority for final payment in cases of Superannuation/Death.
- (iv) It is necessary that the deceased should be a fund subscriber for at least the last three years preceding the month of death. The maximum benefit admissible under this scheme is Rs. 60,000 calculated on the basis of average of balances of the last 36 months preceding the month in which the death occurred.
- (v) In case, any employee leaves service in the Secretariat and joins some other service or goes on deputation to other departments, the balance of fund at his/her credit is transferred to that Office on receiving the request from his present Office. In case any employee joins this Office on transfer or deputation basis, on his/her request this Office takes initiative to get his account transferred from his/her parent Office.

This is done in association with the Estt. (A/cs) & Budget Section, which takes the approval for opening of new head of accounts from the Ministry of Finance, and Monthly Accounts Section of the Office of the CGA.

1.5 Audit Section of Pay and Accounts Office:

1.5.1 Duties and Responsibilities of Audit Section: P&AO (Audit Section) receives bills for payment from the Establishment (A/cs) & Budget Section and MS&A Section. Some bills originate in the Pay and Accounts Office itself (in respect of those officials who are on the payroll of this Office). Bills originating from these three quarters are forwarded by three different Drawing and Disbursing Officers (DDO). The bills are first received in PAO (Accounts Section) where they are diarized (both sections have a common centralized Diary system) and then forwarded to Audit Section where pre-check of the same is undertaken.

1.5.4 Pre-checks of bills: Audit Section conducts pre-check on the bills received in Audit Section for payment. At the same time entries regarding the bills, namely booking of expenditure in the relevant heads, are done through the COMPACT software which has been functional in this Section *w.e.f.* 1st April 2007. Booking of expenditure in the pre-check module of the software facilitates the computerized compilation of accounts.

1.5.4.1 Step-wise procedure for manual auditing of all bills:

- (i) Scrutiny of the bill by the Auditor (Dealing Assistant) and recording pre-check encasement and pay order (in figures and words).
- (ii) Examination of the bill by Executive Officer/Assistant Director and endorsement of pay order given by the Dealing Hand.
- (iii) Examination and approval of the bill by Pay and Accounts Officer (P&AO) by signing against the pay order given on the bill.
- (iv) Preparation of cheques by cheque writer after P&AO approves the bill.

1.5.4.2 The cheque writer prepares a cheque for the net amount indicated on the bill. When two or more bills are payable to the same person, a single cheque is issued for the total amount (*e.g.* a single cheque favouring the State Bank of India, Parliament House Annexe is issued against all separate pay bills of employees of Rajya Sabha Secretariat barring the Casual Labourers, or in the case of establishment payments, a single cheque is issued favouring Deputy Director, Rajya Sabha Secretariat against different bills and the payment of which is to be made by the Cashier, Rajya Sabha Secretariat).

1.5.4.3 The cheques issued by this Office are of three categories—A (cash), B (clearing) and C (transfer). The "Category A" cheques are issued to Members, Rajya Sabha and their PAs, individuals, private parties, and Gazetted Officers. 1.5.5.1 The Register of Cheques Delivered (Annexure V) is maintained in the format in the Pay & Accounts Office.

ANNEXURE-V

1.5.5.2 Cheques of Private Parties: All cheques for payment to private parties are handed over to the Cashier, Rajya Sabha Secretariat or the Members Salaries & Allowances Section, from where bills relating to them are raised. The Actual Payee Receipt (APR) is obtained and kept by the latter for record and audit purposes. Some bills received for payment by Audit Section are pre-receipted. In such cases, the APR is not obtained. The cheques are sent to the concerned sections after entry in the P&AO Register of Cheques Delivered.

1.5.5.3 Tallying total amount of cheques with monthly accounts: Immediately after the issuance of cheques, the bill is stamped as "PAID" with date (the same date as indicated on the cheque) and voucher number and details of cheques (number, date and amount) is noted on the bill. The details of payments for each date, *i.e.* the particulars of each bill against which cheque has been issued, along with its voucher number, are entered in the 'Register of Cheques Delivered' with cheque number and amount. The total payment made through cheques delivered, during a particular month, should tally with the amount booked in the monthly accounts of Rajya Sabha Circle and the same is communicated to the Office of the CGA by the second week of the succeeding month.

1.5.5.4 Cheque Delivery through Cheque Counter: The Audit Section operates and manages during the Session period, a Cheque Counter at Parliament House for the convenience of Hon'ble Members, Rajya Sabha from where cheques in respect of those Members are disbursed who opt for receipt of payments in their name. The Cheque Counter is open during all working days from 12 p.m. to 4 p.m. and is manned by a staff members of this Section.

It will be deemed to have been passed and cheque for the amount passed has to be prepared. Bills, which are passed at the Dealing Hand or AAO level, can still be returned through the software at the level of PAO if the latter is not satisfied as to the correctness of the bill.

1.5.6.2 Cheque writing through COMPACT software: The COMPACT software facilitates the electronic printing of cheques.

1.5.6.3 Step-wise procedure for cheque preparation by the Cheque Writer on the COMPACT software, after completion of bill passing: After the bill is finally passed, entries required for cheque preparation are made in the pre-check module as follows—

- (ii) Cheque Number Allotment

- (iii) Cheque Printing
- (iv) Cheque Review
- (v) Cheque Issue

At the end of this process, specific Voucher numbers are generated for each bill and they are automatically transferred to the Compilation module for compilation of accounts. This facilitates easy compilation of accounts. Thus, on a regular basis the work of Audit Section is restricted to the Pre-check module of COMPACT.

1.5.6.4 Final Post Check of bills paid after Pre-Check: The post check of all bills passed by the Audit Section for payment is conducted by the Concurrent Audit Party (CAP) of the Office of the D.G.A.C.R. posted permanently in the Parliament House Annexe. The post check is conducted in the form of monthly test check of vouchers generated by this Section and also of the Register of Cheques Delivered which is also maintained month wise. Audit observations, if any, are communicated to the Pay and Accounts Office, which in turn forwards them to the concerned bill-raising Sections. Suitable replies are given by them, which are then forwarded to CAP through P&AO for settlement of the Audit observations. The CAP submits its Progress Report on observations to its headquarters, *i.e.* O/o DGACR.

1.5.7 The Annual Statutory Audit of the accounts of P&AO is conducted by an Audit Party, sent for the purpose by the O/o DGACR. The objections, in the form of Audit Paras, raised in the Inspection Report submitted by the Audit Party are dealt with by the Audit Section and replies thereof are prepared in order to get the outstanding Paras settled, and to keep the number of pending Audit Paras against this Office to the minimum.

This work is performed by the Audit Section. Cases of Family Pension are also dealt with in the Audit Section and release of the same is also authorized. The process of authorizing pension is similar to the exercise performed in the case of employees of Rajya Sabha Secretariat. The only difference is that the Members' Salaries & Allowances Section furnishes the pension papers in respect of the retiring MPs of Rajya Sabha instead of Establishment (G) Section.

1.5.9 Maintenance of Long Term Advance Register: The Audit Section maintains the Broadsheets of House Building Advance, Motor Car Advance (Officers and Members), Scooter/Motor Cycle Advance, and Computer Advance. This account is maintained to keep track of the amount of advance being paid to an employees of Rajya Sabha Secretariat from the head "7610-Loans to Government Servants etc." and recoveries being made from the salary of the concerned employees, against the loan they availed, and balance/interest due upon him.

1.5.9.1 P&AO (Accounts Section) provides the schedules of the recoveries of loans and advances to this Section on a monthly basis. Schedules of a particular month are usually received by 20th of the succeeding month. After their receipt, the recoveries are posted in five separate Broadsheets every month. This process of posting of recovering of the current year is to be completed by the end of the first quarter of the new financial year, *i.e.* the month of June. The Closing Balance (CB) of previous financial year is brought forward to the beginning of the current year as Opening Balance. The total of Payments and Receipts of every month is calculated at the end of the month. The final total, after entries of the month of March are made, is added up to arrive at the CB of the current year. The Balance Sheet of the current year is prepared thereafter. The CB of the year is to be tallied with the entries in the PAO-4 Ledger maintained by Accounts Section. Differences are to be reconciled and all Transfer Entries (TE) effected during the course of the year are to be accounted for. On detection of any discrepancy/differences in figures between records of Audit Section and those of Accounts Section, instructions to effect TE are given either by Audit Section or Estt. (A/Cs) & Budget Section. Audit Section also maintains separate Summary Registers for every Broadsheet maintained by the Section, in which the Summary Statement for the year is prepared.

The deposits made by the parties are reflected in the monthly schedule of Challans provided to this section and the deposits are then shown as credits in the Broadsheet. Any bill received from the Cash Section, Rajya Sabha Secretariat for refund from this Head is also dealt with in this Broadsheet. The amount of refund is debited from the balance of that particular month in which the bill is received and payment is made to the

concerned party. Entries regarding refund are made in the month of refund as well as against the entry of deposit made earlier. Entries of debit from and credit into this Head are also made in the D.D.R. Ledger maintained by the Accounts Section. The Broadsheet balance and Ledger balance are tallied at the end of every financial year and any difference arising as such are reconciled by means of effecting Transfer Entries.

1.5.11 Establishment Work of Pay and Accounts Office: The establishment work in respect of Pay and Accounts Office is handled by this section. In this connection, tasks similar to those of Estt. (General) and Estt. (A/Cs) & Budget Sections are performed by this section. This section maintains the Service Books of those employees who are on the sanctioned strength of Pay and Accounts Office. The budget allocation for Pay and Accounts Office is separate from that of the Rajya Sabha Secretariat. Hence, the establishment, pay and other bills in respect of the staff on the strength of this Office are prepared separately by this Section.

The retention period of the different records (*Annexure VI*) as indicated in the Civil Accounts Manual in Chapter No. 17 under the heading '**Miscellaneous**'. 1.3.1 Rule 140 of the revised GFRs, 2005 provides that "the Ministries or Departments have been delegated full powers to make their own arrangements for procurement of goods. In case however, a Ministry or Department does not have the required expertise, it may project its indent to the Central Purchase Organisation (e.g. DGS&D) with the approval of competent authority. The indent form to be utilized for this purpose will be as per the standard form evolved by the Central Purchase Organization".

1.3.2 Rule 145 states that the "Purchase of goods up to the value of Rs. 15,000 (Rupees Fifteen Thousand only) on each occasion may be made without inviting quotations or bids on the basis of a certificate to be recorded by the Competent Authority".

1.3.3 Rule 146 provides that the "Purchase of goods costing above Rs. 15,000/- only and up to Rs. 1,00,000/- only on each occasion may be made on the recommendations of a duly constituted Local Purchase Committee

consisting of three Members of an appropriate level as decided by the Head of the department. The Committee will survey the market to ascertain the reasonableness of rate, quality and specifications and identify the appropriate supplier".

1.3.5 Apart from the above three rules, Rule 147(1) states that "in case a Ministry or Department directly procures Central Purchase Organization (e.g. DGS&D) rate contracted goods from suppliers, the prices to be paid for such goods shall not exceed those stipulated in the rate contract and the other salient terms and conditions of the purchase should be in line with those specified in the rate contract. The Ministry or Department shall make its own arrangement for inspection and testing of such goods where required."

1.3.6 Rule 149 provides that "except in cases covered under Rules 145, 146 and 147(1), Ministries or Departments shall procure goods under the powers referred to in Rule 140 above by following the standard method of obtaining bids in: (i) Advertised Tender Enquiry (ii) Limited Tender Enquiry; and (iii) Single Tender Enquiry."

1.3.7 In Advertised Tender Enquiry, invitation to tenders is done through advertisement for procurement of goods of estimated value Rs. 25 lakh and above. In such case, the advertisement has to be given in the Indian Trade Journal (ITJ); published by the Director General of Commercial Intelligence and Statistics, Kolkata and at least in one national daily. A complete bidding document should be published on the website in order to enable the bidders to download the document from the website.

1.3.9 It should also be published in the website in order to be able to identify a higher number of approved suppliers to obtain more responsive bids on competitive basis. The number of supplier firms has to be more than three. Limited Tender Enquiry can also be adopted even where the estimated value of the procurement is more than Rs. 25 lakhs if the competent authority in the Ministry or Department certifies that the demand is urgent by putting in the nature of urgency and reasons why the procurement could not be anticipated.

1.3.10 In Single Tender Enquiry, procurement from single source may be resorted to in the following circumstances:—

- (i) If it is in the knowlede of the user department that only a particular firm is the manufacturer of the required goods.
- (ii) In a case of emergency, the required goods are necessary to be pruchased from a particular source and the reason for such decision is to be recorded and approval of competent authority has to be obtained.

Such maintenance contracts are especially needed for sophisticated and costly equipment and machinery. It may however be kept in mind that the equipment or machinery is maintained free of charge by the supplier during its warranty period or such other extended periods as the contract terms may provide and the paid maintenance should commence only thereafter."
