Sir,

I had the honour of attending the training programme on Parliamentary Administration at RIPA International, London. I got the opportunity to visit Westminster, the Mecca of Parliamentary democracy. I had the opportunity of exposure to the austerity programme, visit the historic palace of Westminster and hear first hand from some of the most senior Administrators in Parliament as to how they are keeping pace with the demands in the changing scenario. I also actively participated and involved myself both physically and mentally on the course content. This Training Programme has helped me in further sharpening my skills and aptitude and deal with 'NPAs' and derive the output.

Thanking you.

Yours faithfully,

Pankaja
